Dear all

With apologies for the delay, please find attached the papers for this Friday's meeting.

For those of you able to attend, please note also that this meeting will now take place in **Committee Room 2P15**, and the **back entrance of City Hall must be used to access the building on the day**. This is due to security for an international event taking place here at City Hall over the weekend. **Please sign in at reception and someone from the office will be down to collect you.**

Please contact me using the below details if you have any further queries.

Best wishes
